

## Florist or Garden Shop

### Gather, lay out, and gradually add:

balance scales to weigh the veggies and fruit

cash register

calculator

Paper / pencil

lots of artificial flowers

Ribbon

Vases

foam bricks for the children to make floral arrangements

basket of toy fruits and veggies

packets of seeds

Spray bottles

### Maintaining basics:

Cleaning supplies for 'cleaning' the shop

- Dress-Up portion:

straw gardening hats

overalls

boots

sun dresses

gardening gloves

aprons

### Activities

Make a shop sign, coupons, order pads, play money, seeds

Pot seeds using dirt, little pots or starter sets, seeds, and a watering can

Get some foam and plastic flowers. Let the kids arrange the flowers in the foam.

### Décor:

The children's artwork

Take pictures of the 'arrangements' and make a store catalog

### A Pretend Scenario to try:

- Pretend it's a special occasion (birthday, mother's day, valentines) and have one child be the customer, and other the clerk. Then have them switch.
